## Patient Preparation Notes

### All exams

- Please Arrive 15-minutes early with a current License or ID and insurance card.
- Patients please bring prior exam CD, wear comfortable clothing (such as sweats) and leave valuables at home.
- Please confirm your test the previous day by 3:00 PM by calling the office.
- Contrast MRI and CT exams require Medical Labs (called BUN and Creatinine) 4-weeks or newer for safety reasons.

### MRI Exams

- You get music during your exam, so tell your MRI technologist your favorite musician.
- Please remove ALL metal before the exam including:  
keys, metal implants, cell phones, jewelry, wigs, hair pins, pocket knives, wallet, purse, hearing aids, artificial limbs, etc.

### CT Exams

- Contrast Exams: Drink only water after midnight the day before your exam. No eating the day of your test (only water).
- Contrast CT for Diabetic Patients: Please stop using your Metformin or Glucophage the day of the exam.

### Mammograms

- Please bring prior mammograms (performed at other locations) with you for comparison.
- Don't use deodorant or lotion the day of the exam.

### Ultrasounds

Most ultrasounds don't require special preparation except:

- Liver, spleen, gallbladder, kidneys, pancreas, abdominal aorta, biliary system: Do not eat or drink eight hours before exam.
- Bladder: Drink 32 ounces of water 1-hour before your exam.
- Pelvic: Drink 32 ounces of water 1-hours before your exam. (Do not urinate before the exam – exam is better with a full bladder.)

### PET Scan

Please call the office to schedule. (Glucose below 150 & no strenuous exercise).

IIC is located on Prairie (at Regent) two blocks North of the Inglewood Stadium complex & Forum.
